Re: Construction Permit Application for Emergency Propane Generator (57-0404-01), Norton Hill
Microwave Station, Highway 45 South, Jackson, TN

Dear Mr. Hall:

On May 20, 2015, the Division of Air Pollution Control received your construction permit application for a propane generator installed at Norton Hill Microwave Station, Highway 45 South, Jackson (57-0404-01). A determination has been made that this application is complete. "Complete" means that your application contains sufficient information necessary to begin processing the requested permit. Please note that the Division has not examined your application for accuracy, and we may request additional information during in-depth review.

If you have any questions concerning this correspondence, please contact Josh Bartlett at (615) 532-6813 or via e-mail at joshua.bartlett@tn.gov.

Sincerely,

John Fuss
Section Manager, West Tennessee Permitting Program
